

### History

During this term, our historical topic is Children in World War 2 and, after looking at the background to the start of the war, we focus on the Blitz, evacuation, rationing and life at home and at school.

### Science

The children will tackle a scientific enquiry, with an environmental theme, which focuses on the school grounds, as well as dissolving and reversible/irreversible changes

### R.E

Based on Hampshire's curriculum for schools, 'Living Difference', we will be asking the children to reflect on Rites of Passage in the Christian and Jewish faiths.

### ICT

The children will be studying the benefits of multimedia presentations and simulations using a computer-based programme.

## Year 6 Topic Web Summer 2015

### Music

The children will working together to learn the different songs and various techniques needed when it comes to performing to an audience - this will be mainly done through our summer production - don't forget tickets!

### PSHE

Throughout the term, we will be covering Changing Relationships and Managing Transition so the children are in better position when it comes to preparing for secondary school.

### P.E

In P.E. during the first half of the term we will be focusing on team games and varied athletic games - this will be linked to sports day so we might have some champion javelin throwers, triple jumpers or discus throwers!

### DT

During the second half of the term, through designing and making an electronic fairground using their science and ICT knowledge.

### French

The children will be continuing their oral skills with their fourth year of French teaching. The emphasis will be on songs, stories and conversation.
