

RE:

Developing our understanding of journeys that are important to the Catholic and Muslim faiths.

DT:

Creating a bag to carry all of the treasure discovered when new and different countries are invaded.

Art:

Using sketching and drawing skills to design a figurehead for a Viking longboat.

Computing:

Using Viking myths as inspiration to present writing in different ways and developing understanding of e-safety.

PE:

Developing our awareness of team work and net and ball skills.

Creating and performing gymnastic wall bar routines.

English:

Applying topic knowledge to write in different forms and for audiences including Viking myths and newspaper reports, and reading Beowulf in Guided Reading.

Mathematics:

Using and applying the skills and concepts to a selection of topic related problems.

Science:

Applying knowledge of settlements to gain an understanding of the food chains and the interactions between living things and their habitats.

Developing an understanding of the human and animal digestive systems and teeth.

History:

Developing a deeper understanding of who the Anglo-Saxons and Vikings were and why they came to Britain. We will also look at the lasting impact of their time in Britain.

Geography:

Looking at where and why the Anglo-Saxons and Vikings invaded and then focusing on their settlements.

Music:

Hampshire Music Service will teach Ukulele.

Year 4 Topic Web Spring 2017

Trip:

Residential to Upton Court looking at the impact of the Vikings on life in Celtic Britain.

SPRING: INCREDIBLE INVADERS

ANGLO-SAXONS AND VIKINGS
