

RE:

Developing our understanding of journeys that are important to the Catholic and Muslim faiths.

DT:

Creating a bag to carry all of the treasure discovered when new and different countries are invaded.

Art:

Using sketching skills to draw historical artefacts and developing printing skills with runes.

Computing:

Using Scratch to programme and developing understanding of e-safety.

PE:

Through SCL, children will develop their skills in teamwork and other invasion games.
We will also be developing their dance skills through creating a Viking dance in celebration of a successful raid.

English:

Applying topic knowledge through writing newspaper reports, Kenning poems and other writing genres.

Mathematics:

Further developing our number skills with multiplication methods and problem solving. We will also focus on fractions, decimals and percentages while linking other areas of maths to deepen and master our understanding of number.

Year 4 Topic Web Spring 2018

Trip:

Residential to Upton Court looking at the impact of the Vikings on life in Celtic Britain.

Science:

Developing, understanding and applying our knowledge of sound and how sound travels.
We will also be looking at developing our scientific language through experiments.

History:

Developing a deeper understanding British History beginning with the Anglo-Saxons; we will be debating if they were a heroes or zeroes for the country.
This will be followed by a study of the Vikings to decide if they were raiders or traders -were they really as bad as we are led to believe?

Geography:

Looking at where and why the Anglo-Saxons and Vikings invaded and then focusing on their settlements.

Music:

Hampshire Music Service will teach Ukulele.

SPRING: INCREDIBLE INVADERS

ANGLO-SAXONS AND VIKINGS
