

Communication

Our regular newsletter is sent via email each Thursday and is also posted on our website www.greenfields-jun.hants.sch.uk. We also contact parents on a regular basis using a text / email messaging service and use this same system for parents/carers to book Parent Consultations. It is therefore essential that we have up to date email addresses and mobile phone numbers, if applicable. Information about school trips, clubs etc. is sent home as a paper copy via your child, as well as being available to download from our website via the 'Letters to Parents' link.

Please complete the form below and return to the school office to ensure we have your correct details.

Child's name: Class:

Name of parent/s:

Email

I/we have internet access and email Yes / No

Main contact email address:

If a second contact email is required please give address and reason:
